Pueblo of Laguna  
P. O. Box 194  
Laguna, NM 87026

Dear Governor Fernando:

The enclosed copy of an April 14, 1986, memorandum from the Assistant Area Director (Trust) transmits a copy of an undated letter from the Albuquerque Area Office and the Bureau of Land Management to the Anaconda Minerals Company. The letter pertains to fencing and security problems at the Jackpile-Paguate Mine Site.

While the letter is for informational purposes, the memorandum requests the cooperation of the Pueblo and its members in preventing any unauthorized entry to the site by people and livestock. Dissemination of this request at the village meetings will be appreciated.

If there are any questions, please contact me at 552-6001 or 6002.

Sincerely,
